Justification: The National Headquarters and Equipment Fund name may be a holdover from SC Proposition 2613 when the Fraternity was looking to purchase an office in the 1970's. This fund has had a zero balance for decades. At some point in 2014, \$125,317 was transferred into this account without SC Proposition from the Reserve Fund. Investment gains, losses, and fees have not been applied to this fund appropriately. Having a separate account for the National Headquarters is not necessary as Reserve Fund monies can be used for that purpose."
